

# Cadet & Family Information

## Parents/Guardians are Responsible for Checking Gear & Grooming

Check your cadet's gear against the packing list to ensure they bring everything required and nothing extra. Make sure their hair meets regulation standards. Cadets must bring a copy of the packing list, with all verification signatures, to in-processing.

## Emergency Contact: (614) 465-3562

This number is for emergencies only—not general inquiries. In the event of a serious problem, staff will contact you promptly. If you don't hear anything, your cadet is doing well.

## Arrival Procedures

Cadets and a parent or guardian report to Wright State University—Allyn Hall from 11 am to 12:30 pm on June 6, 2026.
